COUUPLE OF THE YEAR

Perfectly Match Planner was established during the midst of Covid-19 pandemic on December 18, 2019 owned by a lovely couple Kiela May Formentera and Cezar Tangalin which inspired by their dreams to be a forever lifetime commitment between the couples. This is why they created and innovate a event planner management to let every person reach their dream theme of event celebration.

Donna Marie Esteban and her daughter's debut

"I can't thank Perfectly Match Planner enough for making my debut such a memorable and perfect night! From our first meeting, I knew I was in good hands. They took my vision and turned it into a reality beyond my expectations.

The attention to detail was impeccable. Every element, from the venue decoration to the entertainment, was executed flawlessly. They even went above and beyond to incorporate personal touches that made the event uniquely mine.

Throughout the planning process, Perfectly Match Planner and their team were always available, responsive, and incredibly organized. They took care of everything, allowing me to enjoy the lead-up to the event without stress.

Welcome to adulthood
